MUQADAS QAIM KHANI

Full Stack Developer

Phone:	**+92 3462970570**
Address:	**Mirpurkhas Sindh,Pakistan**
Email:	**muqadasqaimkhani@gmail.com**

I am Full Stack Developer.I build high-performance web applications using HTML, CSS, JavaScript,NodeJS, and ReactJS. I specialize in creating responsive user interfaces with modern JavaScript and React, developing robust back-end solutions with NodeJS and Express, managing databases, implementing secure authentication, and optimizing web performance, all while collaborating effectively in agile environments.

EXPERIENCE

CognoRise InfoTech

Web Developer

APR/2024-MAY/2024

During my time there, I gained valuable experience and skills in web development.

Interns.pk

Frontend Developer

JUN/2023-AUG/2023

My internship at interns.pk was invaluable. I worked on real projects, learned from experienced professionals, and honed my Frontend Development skills. The collaborative environment and networking opportunities deepened my industry understanding, preparing me well for my future career.
